What is EBSCO?

EBSCO Information Services is a worldwide leader in providing information, through print and electronic journal subscription services and research database. EBSCO serves thousands of libraries and Schools with premium content in every subject area and is available for you to use **from home**.

Start your search by using simple search techniques to browse through the Student Research Center.

The results page lets you know how many items matched your search query. You can easily narrow your search by using the filtering categories on the left **or** by clicking on the type of media above the results list.

Click on the **“Full Text”** Link to view the text. Included with each article is a citation which makes identifying the source quick and easy. To return to the list of related resources list simply click on the **“Results List”** link. To complete another search simply click the **New Search** button. For more advanced searches that contain Advanced Placement Sources simply click the **AP Sources** button.

Knowledge Network of Ontario:

As you may be aware the MOE has funded a two year project known as "Knowledge Ontario". The mandate for the project is:

"Knowledge Ontario (formerly the Ontario Digital Library) is a province-wide collaboration of libraries (public, school, college and university), archives, museums, heritage organizations, educational institutions, and community groups to create an integrated, and interactive digital environment about, and for, Ontarians."
